

P9 MESMERIZES

ANTICIPATION

By entering the world of our P9 your desire for relaxation and happiness will automatically increase.

EUPHORIA

The matrix-lightshow will mesmerize you and take you to another world.

HIGHLIGHT

KBLs perfectly tuned UV-Spectrum will stimulate Vitamin D production, strengthen your immune system, sooth your skin with redlight and creates a beautifully bronzed complexion.

CHARMED

A session on our P9 will leave you amazed. Being relaxed and energized will help you through the days just like a short vacation.

Test the new **P9** hybridSun
a new dimension of relaxation.

P9 hybridSun

BE STRONG.

Solarium design in the footsteps of the iconic Porsche 911. The P9 hybridSun is the powerhouse of this family with the highest performing combination of pureSunlight and smartSunlight for an especially satisfying tanning result.

» **Design**
must be honest! «

These four words by Ferdinand Alexander Porsche make clear that design is not just decoration or superficial beautification, but rather the perfect symbiosis of form and function. This can only happen when the functionality of a product has been fully understood.
